## CERTIFICATE

### OF SUCCESSFULLY IMPLEMENTED ENVIRONMENTAL MANAGEMENT SYSTEM CERTIFICATION IN COMPANY HIFA-OIL d.o.o. ACCORDING TO INTERNATIONAL STANDARD EN ISO 14001:2004

*Dear director, customers and other business partners of HIFA-OIL d.o.o.,*

We hereby confirm that HIFA-OIL d.o.o., Krndija bb, 74260 Tesanj, successfully implemented the Certification Audit of the Environmental Management System according to the reference standard EN ISO 14001:2004 on February 26<sup>th</sup>, 2014. Accordingly, our Lead Auditor has issued a recommendation for certificate release according to the above listed standard.

On behalf of our company TÜV SÜD Sava and the certification house TÜV SÜD Management Service, the Certification Audit of the Environmental Management System according to the reference standard EN ISO 14001:2004 was conducted by Mr. Jozsef Varga - Lead Auditor.

During the implementation of the Certification Audit the Lead Auditor determined that the Environmental Management System in the company HIFA-OIL d.o.o., is in compliance with the requirements of reference international standard EN ISO 14001:2004.

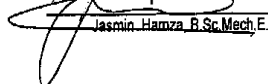

The audit documentation, including the recommendation for certificate release according to standard EN ISO 14001:2004, have been submitted to the Certification Body departments in Sarajevo, Ljubljana and Munich for further administrative processing.

**Production and delivery of certificate for the company HIFA-OIL d.o.o. is expected no later than March 26<sup>th</sup>, 2014. Therefore, we kindly ask you to consider this Certificate valid until the indicated period.**

We congratulate the company HIFA-OIL d.o.o. and thank you for your trust, with the wish to continue the successful cooperation.

Sincerely!

TÜV SÜD Sava d.o.o.
